

LUFIAN

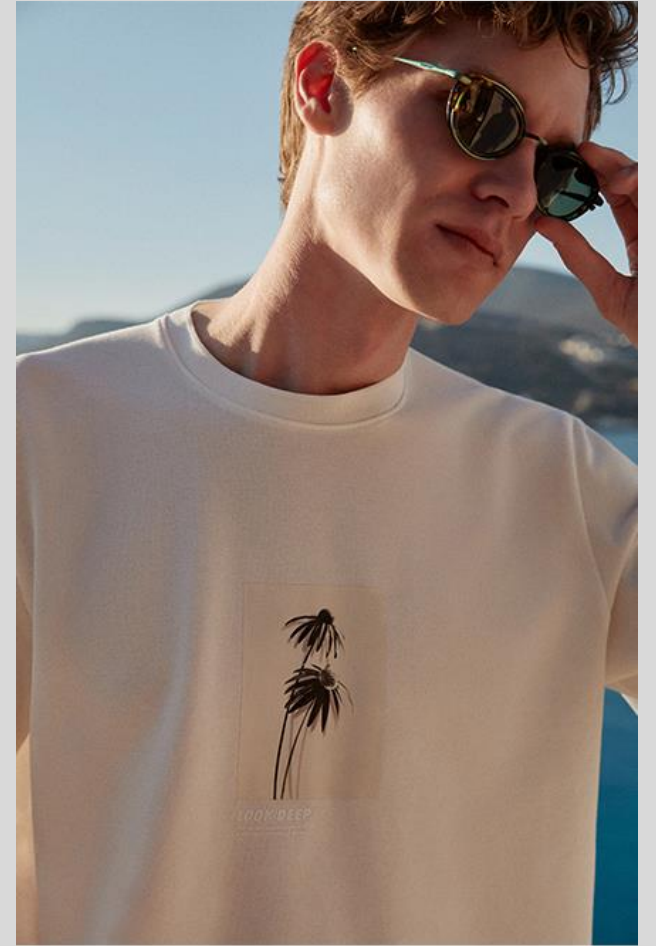

Product Guidebook

T.Shirts

The LUFIAN T.Shirt has 2 main fits. The bulk of the collection comes in a regular fit with a few loose fit options included every season.

The collection incorporates several fabrics with the core usually being cotton and various cotton blends.

LUFIAN doesn't use a lot of bold colors with its T.SHIRTS but rather focus on design, pattern, print techniques, and most importantly the highest quality fabrics.

Polo T.Shirts

Polo T.Shirts usually come in a regular fit and 3 main categories:

- **The BASIC polo** is made from plain pique fabric and an average of 30 colors per season ranging between regular and washed effects.
- **The CLASSIC Polo** is a little more formal and comes in a variety of fabrics and blends.
- **The FASHION Polo** are mostly made from pique material but incorporate a variety of elements such as embroidery, prints, washing techniques, and trimmings.

CLASSIC

BASIC

FASHION

LUFIAN stores usually feature a POLO wall consisting of 15/20/25 shelves (depending on the shop size and layout) displaying the BASIC polo selection.

Knit T.Shirts

In addition to the regular T.Shirts and Polo options LUFIAN takes pride in its knit T.shirt collection.

The collection consists of trico feel knit fabrics in a variety of blends and styles ranging from classic round neck to polo neck and many others. This cool fabric is ideal for someone looking to be practical yet fashionable during the hot summer months.

Naturally this is more of a Summer product but elements of this collection are available year round.

Denims

The denims come in 2 cuts, Slim and Regular each in a variety of colors and washes.

As with all other product categories the fabrics play an important role to differentiate our denims from the competition. Different weight denims with varying stretchability factors are used and the final effects are made using specific washing techniques and laser etching technology.

The result is a denim that is not just stitched, but almost engineered !

Shirts

LUFIAN shirts come in 3 main cuts:

- Slim fit.
- Regular fit.
- Oversize.

The long sleeve linen shirt is one of our most popular items but the LUFIAN shirt selection includes a lot more varieties in terms of styles, fabrics, collar types, and sleeves.

In addition to linen and Oxford the collection also includes a variety of fabric blends which are mostly cotton based.

To add a little spice to the offering the collection will usually include a few daring prints or fabrics for those looking to stand out.

Pants

The trouser collection at LUFAIN comes in a variety of fabrics ranging from the natural cotton and Linen to the more practical synthetic fabric blends.

Overall there are 3 main categories:

- **Classics.**
 - include items such as chinos and the never out of style 5 pocket which is a must in every wardrobe.
- **Chique.**
 - For more formal occasions, such as the office or an evening out.
- **Fashion.**
 - Fashionable elements such as cargo pants, knots on the front, or a band around the ankles. This is where we let our imagination run wild.

Shorts

The Shorts also come in 3 categories:

lifestyle shorts are loosely based on the pants with some adjustments, but in terms of fabrics, cuts, and styling they follow the same guidelines.

Active Shorts are part of our ACTIVEWEAR collection and are ideal for athletic activities.

Swim shorts are part of our summer collection and they incorporate a mesh inner lining for comfort and support

Jackets

LUFIAN is not a traditional classic Fashion brand, so our selection of Blazers and jackets is something that can be worn with a chino, a denim, or for the daring a pair of shorts.

The Blazers are at a standard drop 6 and the fabrics used range from the classic linen and wool mixes to the more modern spandex and techno fabrics.

Outerwear

The jewel in the LUFIAN crown is definitely the outerwear collection which is made to the highest standards using techniques and material that is only used in high end brands.

The material used to stuff the coats consists of 90% goose down and 10% goose feather resulting in extraordinary softness and comfort.

Some of the outerwear features:

- Light weight.
- Water resistant.
- Packable.
- Warmth without bulk.
- Superior softness.

The fur used on some of the models is all animal friendly.

Activewear

It started as a couple of sweaters but the outstanding customer feedback led to more and more items added and the result is a full ACTIVEWEAR collection which includes:

- Sweat pants.
- T.Shirts
- Shorts.
- Sweaters.
- Jackets.
- Swimwear
- Shoes

Using high tech fabrics and trimmings the active wear collection is the pinnacle of comfort and style.

The collection is sold as individual pieces allowing customers to build their own outfit whether they prefer a monotone look or a more daring mix and match style.

Footwear

One of our fastest growing categories. LUFIAN shoes have always been popular with our customers but the past couple of years have seen a lot of additions in terms of styles and technology.

The upper parts of the shoes are mostly leather with the exceptions of the sneakers which incorporates breathable fabrics. The lower parts of the shoes is where most of the technology innovation is happening with the introduction of elements like memory inner soles and EVA+ outer soles.

Accessories

Currently the accessories of LUFIAN consists of 4 categories:

- **Belts.** The LUFIAN belts come in a variety of material from natural leather to synthetic fabrics.
- **Socks.** LUFIAN offers a wide variety of socks styles in several cotton blends from the classic plain colors, to the invisible socks, athletic type, as well as the colorful playful types. All the socks are free size.
- **Boxers.** Comfort is essential when it comes to a boxer, so our focus is on a perfect 95% cotton and 5% lycra blend to ensure the best fit and support.
- **Wallets.** 100% leather wallets to offer an add on or a nice gift idea.

We are always working on adding more options to our accessories lineup.

Currently we are testing a range of Perfumes in our Turkey shops which will be available soon to our international branches.
